CASUALTIES ARE REPORTED SMALL

PEARL HARBOR, Oct. 13.—(INS)—Navy authorities disclosed today that 130 ships, most of them the size of LST's and a few larger ones, were blown aground or destroyed by the typhoon which lashed the Ryukyus and southern Japan during midweek.

The number of dead, missing and injured as a result of the storm still was undetermined, but the navy said total casualties were small.

Food Situation Serious

The food situation at Okinawa and other American bases in the typhoon-torn area was described as serious but not precarious. Loaded ships already were putting cargoes ashore at Okinawa and efforts were being made to restore temporary living quarters for United States personnel on the island.

Plenty of food can be made available and shipped to stricken areas from nearby military installations or brought in by supply ships now at sea in far Pacific regions.

Ground Damage Less

Dispatches from Manila said that ground damage on Okinawa was only one third as heavy as originally estimated after the screaming typhoon blew itself out over the sea of Japan.

Lieut. R. H. Huber of New York City, who was camped near Naha when the storm broke, said it was at its worst from 1 p. m. Wednesday until midnight.

The rain was so heavy and the debris so thick, said Huber, "I couldn't see the ocean a half mile away. Tents and rooftops sailed."

PA NEW OBSERVES

Wonder how the "tootsies" feel today of the girl who yesterday put on stockings for the first time since last February and complained she had to take them off at noon—they were so hot!

It's almost Christmas eve in the matter of mailing of holiday packages to men and women in service overseas. October 15 is the deadline. There has been a notable reduction in holiday mailing of this nature this year, compared with the past two years.

Soldiers going through the city around ten thirty last night, on through trains at the Seventh ward station, peered from the windows of the coaches rather amazed to see the skies lighted with a fireworks display. The display was a part of the Columbus Day celebration in the ward.

School teachers in Lawrence county schools outside of New Castle and Elwood City will go to school on Monday and Tuesday, and their pupils will enjoy a vacation. Annual county institute sessions will be held in Union high school auditorium.

Zelenople high school rosters were having a little vocal celebration as they rode through New Castle enroute home after the game at Union Friday afternoon. It was easy to discern that the Zelenople gridders had been victorious.

Attention has been called to Pa. News, that anyone desiring a supply of empty jars of all kinds and sizes, can have same by calling at 420 East Leasure avenue, and hauling them away. It is related there are approximately three bushels of these on hand, and the owner is anxious to dispose of them. Some have lids and others are without.

Seek \$125,000 For Community Chest And War Relief

Aiming at the same goal as last year, the workers and chairman of this year's Community Chest and War Relief drive are preparing to begin the job of raising a \$125,000 quota which has been set for Lawrence County, excluding Ellwood City, announced Community Chest President Charles Matthews, Jr., today.

The quota was determined at a meeting of the executive board of the Community Chest on Friday, when William E. Langan, chairman of the drive, also announced that his vice-chairman for the fund-raising campaign will be Mrs. Glen Carpenter and Numa F. Vidal, Jr. A dinner meeting in The Castleton hotel on October 23 will set the drive off.

Division Chairmen
Thirty-three chairmen have also been appointed by Mr. Langan to have charge of the various divisions.

They are: L. J. Lewis, auto division; R. L. Meermans, merchants;

New Cabinet To Be Named For Argentina

Predominantly Civilian Cabinet To Be Appointed Following Resignations

BUENOS AIRES, Oct. 13.—(INS)—President Gen. Edelmiro Farrell prepared today to name a predominantly civilian cabinet after army and navy refusal to accept his resignation prevented transfer of governmental powers to the Argentine supreme court.

The military leaders who ousted Farrell's former ministers and forced the arrest of Col. Juan D. Peron apparently planned to hold the president's resignation in abeyance pending further political developments.

Meanwhile, three persons were reported killed and more than 100 wounded in a pitched battle in Buenos Aires Plaza San Martin.

Longshoremen Are Returning

Report 35,000 On Strike In New York Are Beginning To Go Back

NEW YORK, Oct. 13.—(INS)—The strike of 35,000 longshoremen was breaking up today as Joseph P. Ryan, president of their union, announced the men were returning to work "all along the waterfront."

The men, who started the costly and unauthorized walkout October 1 were going back in batches of 50 to 100, Ryan said with the Hudson riverfront the first to feel the split in their ranks.

The return to work was seen, in (Continued on Page Two)

Pilotless Plane Crashes In Test At Dayton Field

Plane Almost Completes Hop From Columbus To Dayton Then Crashes

WRIGHT FIELD, Dayton, O., Oct. 13.—(INS)—The army's first public showing of its pilotless radio-controlled airplane in action today ended in a crash landing.

The remotely-controlled plane caught in a sudden cross wind as it within 10 feet of the runways of nearby Patterson Field after making an inter-city hop from Lockbourne Army Air Base near Columbus to Wright field.

Major Douglas Whitaker, of Monmouth, Ill., pilot of the control ship—a C-45 small transport—said the gust of wind developed too quickly for Capt. R. D. Stanfield, of Tulsa, Okla., co-pilot and control operator, to compensate on his radio instructions.

The robot ship, a culver codenamed into the runways, breaking its wooden propeller and damaging the landing gear. Its radio equipment was undamaged. A subsequent statement from air technical service command officials at Wright Field said the damage was "superficial" and could be repaired easily.

Nearly Half Million Idle Due To Strikes

Further Shutdown Of Steel Industry Is Now Being Threatened

MINERS' STRIKE IN STALEMATE

(By International News Service)

A shutdown of the steel industry, vitally important to the nation's reconversion plans, was threatened today as an outgrowth of the labor difficulties which swept the nation in recent weeks and left nearly half a million workers idle.

Warmings of a blackout, or at least a brown-out, in the important iron and steel industry came from a spokesman of the Carnegie-Illinois Steel corporation, at a time when the nation's over-all labor picture remained a contrast of hopes and fears.

On the bright side of the picture were reports of optimism in the turbulent jurisdiction dispute between AFL unions in the movie industry; predictions of a settlement today or Monday in the walkout of 5,000 ship repair workers at Los Angeles; and an announcement that the Ford Motor company was ordering 35,000 employees back on the job Monday.

But in contrasting hue were the (Continued on Page Two)

Seek Two Men In Slaying Case At Pittsburgh

PITTSBURGH, Oct. 13.—(INS)—Pittsburgh police today sought two men in connection with the murder of Frank M. Amberson, who was found shot to death on the sidewalk behind Carnegie Institute.

One of the men sought was a "stranger" who visited Amberson's confectionery store Thursday night and spoke to him about a horse Amberson recently purchased from the Schenley riding stable.

Detectives said the second man might have a connection with the case, but refused to elaborate on their statement.

Found on Sidewalk
Amberson was found shot through the neck on the sidewalk near the institution, at the entrance to Schenley Park.

A trail of blood led from a clump of bushes to where he collapsed on the sidewalk. His locked, parked automobile was only a few yards away.

Police said they found a woman's handkerchief on the runningboard of the car and a lady's umbrella on the rear seat.

Amberson's wife, Irene, 43, is a patient at a New Kensington hospital, where she was taken five days ago suffering from a serious heart ailment.

WIESBADEN, Germany, Oct. 13.—(INS)—Gen. George S. Patton, Jr., was reported today to have suffered bruises and a bad shaking up in an automobile accident near his Fifteenth Army headquarters in Bad Nauheim. The accident occurred Thursday night. The general is expected to return to his job today.

Gen. MacArthur Probing Japan's Silk Industry

Orders Report On Stocks And Outlook—To Make Japan Pay For Imports

ALSO TO PROBE JAPAN'S FISHING

(By HOWARD HANDLEMAN, U.S. Staff Correspondent)

TOKYO, Oct. 13.—Gen. Douglas MacArthur today ordered the Japanese government to report present silk stocks and the outlook for future silk production in order to determine how much the nation will be able to export shortly to pay for vital food imports.

At the same time the supreme Allied commander ordered the opening of an investigation into all Japanese fishing activities, and knowledge beginning with the Philippines.

At the war's start Japanese knowledge of Pacific waters, including those surrounding some of America's own possessions such as the Aleutians, was superior to American knowledge.

Tighten Control In Bavaria Now

Gen. Patton's Successor Says That Denazification Orders Will Be Carried Out

(By PIERRE J. HUSS, U.S. Staff Correspondent)

BAD NAEU, Germany, Oct. 13.—Lieut. Gen. Lucian K. Truscott, Jr., newly-appointed commander of the U. S. Third Army, declared today that denazification policies in Bavaria would be carried out to the letter.

Paying tribute to Gen. George S. Patton, Jr., as "undoubtedly the outstanding battle leader of the war," Truscott said after a tour of his new command.

"The directions were to denazify," Truscott said. "That's what I intend to do."

Industry Not For Lifting Of Price Controls

WASHINGTON, Oct. 13.—(INS)—Preliminary OPA reports, based on letters who were asked how long price control should continue, indicated today that only a small percentage favor immediate removal of such restrictions.

One of 1,486 replies, six per cent, want controls lifted immediately; six per cent by Jan. 1 and 29 per cent by July 1.

Another 39 per cent either asked retention of controls after July 1 or conditioned their answers on the revocation of limitations until wage stabilization or a balance of supply and demand is achieved. Twenty per cent did not reply.

Two Youths Held In Armed Robbery

MILLVALE, Pa., Oct. 12.—(INS)—Two Millvale youths were in jail charged with robbery after they threatened to stab a girl cashier in a real estate office during a hold-up.

Joseph Montrell and Allen Thompson, both of Millvale, were arrested by Chief of Police George Young soon after the holdup. The chief said he found what he described as the \$33 loot and a knife in Montrell's pocket.

Transportation For Half Million Persons Tied Up

BOSTON, Oct. 13.—(INS)—Transportation of half a million persons in 70 Massachusetts cities and towns was tied up today as 1675 bus drivers and mechanics of the Eastern Massachusetts Street Railway company walked off the job in an unauthorized strike.

Gov. Maurice J. Tobin, who had denounced the "reckless disregard of the sanctity of agreements," considered involving his war emergency powers to insure transportation.

Only the Salem division serving the north shore failed to participate. (Continued on Page Two)

Mid-West Truckers Files Strike Notice

WASHINGTON, Oct. 13.—(INS)—Daniel J. Tobin's AFL Teamsters Union filed a strike notice today with the National Labor Relations Board, covering over-the-road operations by 3,191 trucking companies in 12 central states.

The state involved are: Michigan, Ohio, Indiana, Illinois, Wisconsin, Minnesota, Iowa, Missouri, North Dakota, South Dakota, Nebraska and Kansas.

The notice listed the 3,192nd company as "Joe Doe" to which, lines operating into those states from outside headquarters. NLRB officials said this would involve an "unlimited number" of additional companies.

Name Japanese To Share In Framing Of Constitution

Emperor Selects One Appointee Regarded As Authority On U. S. Constitution

ABDICATOR OF HIROHITO LIKELY

(By JOHN R. HENRY, U.S. Staff Correspondent)

TOKYO, Oct. 13.—Dr. Takasaka Takagi, long known as an authority on the United States constitution, was appointed today by Emperor Hirohito to assist in making the Japanese constitution an instrument for a democratic way of life in Japan.

Doctor Takagi was the emperor's third appointee as an adviser to Marquis Kishi Kido, head keeper of the privy seal, who is Hirohito's closest adviser on important matters of government.

Previously named were Prince Fumimaro Konoye and Dr. Seichi Sasaki, the latter a staunch advocate of the "emperor institution theory" in which Takagi has little faith.

See Certain Clash

Political observers were puzzled as to what the clash of ideas of Sasaki and Takagi would work out, but they were certain that Kishi's advisers would seek a compromise between the points promulgated by Gen. Douglas MacArthur to achieve the Potsdam objectives.

The supreme allied commander's five points call for women's suffrage, labor unionization, abolition of secret police systems, a liberalized educational system and revision of monopolistic industrial control.

Some political authorities believe that constitutional changes to be submitted to the diet in November in December will act so far as to reduce Hirohito to the status of a constitutional monarch.

May Bring Abdication

Such a revolutionary change in the Japanese "God-Emperor" system of government may mean Hirohito to abdicate his throne, a thought which is said to be giving the emperor not a little concern.

Coal Production Slumps Further

Wholesale Layoffs In Steel Plants Threatened As Result Of Coal Strike

PITTSBURGH, Oct. 13.—(INS)—Pittsburgh's coal production slumped still further today as two more mines were shut down and "volunteers" threatened wholesale layoffs due to the coal strike.

The closed mines stood at 2.3 million more expected over the weekend, unless a solution to the coal strike is reached. The coal strike mines, linked to 61,081, a number of miners laid off and caused a production loss of 326,457 tons of coal daily.

A Carnegie-Illinois official said 10,000 steelworkers will be added to the list of unemployed by Tuesday. More are expected to follow.

Fifty thousand employees have already been laid off at the Federal plant and the Duquesne, Homestead and Braddock plants are scheduled to close Tuesday.

Sharp Curtailment

At the Youngstown, O. works of Carnegie-Illinois sharp curtailment will be felt next week.

National Defense Department Urged

By Gen. Kenney

WASHINGTON, Oct. 12.—(INS.)—Gen. George C. Kenney, commander of the Far East Air Force, supported proposals today for establishment of a U. S. Department of National Defense.

Kenney, who conferred with President Truman Friday, said Gen. Douglas MacArthur had employed "the whole outlines of a national defense department throughout the war with marked success."

"I think it a scheme we had better study carefully and adopt immediately," added Kenney, first top member of the MacArthur team to return to Washington since the fall of Japan.

Kenney explained that under the MacArthur plan, air, land and sea commanders had co-equality with the general as the final deciding authority.

"The system was simple and

First Methodist Church Without Services Sunday

First Methodist church announces that there will be no church services Sunday, October 14, due to the installation of a new heating system, which is not yet completed.

However, when finished, the new heating system will be one of the most up-to-date plants in Lawrence county.

It is to be equipped with the latest type of automatic stoker, and being specially designed.

Akron Pastor On Youth For Christ

A Challenge to the Church will be the subject of Rev. James D. Moore, associate pastor of the Akron Baptist temple, tonight at eight o'clock when he addresses the Youth for Christ audience in the Y. W. C. A. auditorium on the Public Square.

Rev. Moore each week conducts a Bible class of 250 high school students in Akron, O.

A highlight of the musical portion of the program will be Miss Lena Mae McConnell of this city, who will sing "His Eye Is on the Sparrow" as a solo number. Rev. Robert McNeill will direct the program, assisted by Joseph Proctor as leader, with Miss Virginia Roberts, director of the ensemble and Mrs. Marie Zook as pianist.

The group plans to bring outstanding young ministers of this country to New Castle, including G. D. Dodds, world's champion miler, and the Rev. George Gaines of San Diego, Calif.

Convention Will Open Here Sunday

Yearly Missionary Assembly To Take Place In Gospel Tabernacle

Annual missionary convention of the Christian and Missionary Alliance Gospel Tabernacle, 210 Pearson street, will open Sunday in the church. Rev. E. C. Anderson, former pastor of the church and now superintendent of the Western Pennsylvania district of the Alliance, will be present at the 10 o'clock morning worship hour to deliver the sermon. Rev. Anderson has been called here to turn a mortgage on the church, pastorage located at 294 South Crawford avenue. It will be named during the morning hour.

At 7:30 o'clock in the evening the missionary convention will officially open with Rev. Theo Ziemer, representing the field of Thailand, French Indo-China, as the first speaker. Rev. Ziemer will be followed by Rev. R. E. Brookes of the Philippine Islands, Mrs. Clarence Galvin of China and Rev. D. C. Kopp, assistant district superintendent, who will act as emcee during the series of meetings. The latter members mentioned will arrive on Monday to take part in the services.

Each year the Gospel Tabernacle of Pearson street subsidizes several thousand dollars in the support of foreign missions through the Christian and Missionary Alliance. At the close of the meetings next Sunday the annual pledge offering will be lifted by Rev. C. Kopp.

There will be services each evening next week at 7:30 o'clock with sessions being held each afternoon at 2:30 o'clock with the exception of the opening Sunday.

Executives Club Members Hear Miss Osmena, Friday Eve

Daughter Of President Of Philippines Tells Audience Of Dilemma Of Filipinos

With the Philippines sacked by the Japanese during their occupation, the plight of the Philippines is indeed dire, Miss Maria Osmena, daughter of the president of the Philippine commonwealth, told members of the Executives club and their wives, at the first dinner meeting of the season in The Castleton Friday evening.

Possessed of much charm and a keen sense of humor, Miss Osmena delighted the audience with her talk. She told of the sufferings the Philippines underwent to preserve the democratic way of life they had learned under the American occupation, following the defeat of Spain at the turn of the century.

She told of how the leaders of her country had turned to guerrilla warfare when they did not receive the freedom following their liberation from Spanish rule, but were won over by the fair treatment given them by the United States.

Ready for Freedom
The establishment of free education for the people of the Philippines, and the emancipation of the women has done much to prepare them for the freedom they have been assured they will receive in July, 1946. The people were eager to learn the status and the results of the war, and the results have been that a great many women have prepared themselves for, and before the war were engaged in practicing medicine, dentistry, nursing and teaching, and many were engaged in politics.

She stated that at the time of the attack by the Japs, there were only about 7,000 regular army troops and 75,000 of the Filipino constabulary stationed on the islands to ward off the attack of the Japs. Of the Filipinos in the armed forces

around 60,000 died, either in battle or in prison camps.

She hoped that the United States would loan her government enough money to rebuild and re-establish her industries.

Dr. Wilbur Flannery, president of the club, announced that Dr. Berl D. Orris would be the next speaker of the club, on November 2, his subject being "Where does the world go from here?"

Mr. and Mrs. Robert Garland, Mr. and Mrs. D. P. Eckles and Mr. and Mrs. R. J. Elliott were named on the reception committee.

Miss Osmena was introduced to the audience by Mrs. Alvah M. Shumaker.

On Monday morning at 10 o'clock the Ministerial association will meet in the First Presbyterian church. Rev. O. J. Warnath will lead devotions.

Dr. R. F. Galbreath, president of Westminster college, will be the speaker. His subject will be "The World's Program for Peace".

Jameson Staff Meeting Held

Jameson Memorial hospital staff members met for their regular meeting, Thursday evening in the hospital meeting rooms, with Dr. S. W. Perry presiding.

During business, two interesting medical cases were presented by Dr. J. O. Woods and Dr. Wilbur Flannery, and a discussion followed the presentation.

Attending the meeting was Capt. J. E. Gimsberg, local physician home following a three and a half year stay in a Japanese prison camp. He spoke briefly of his experiences.

Refreshment was served at the close of the program, November 8, is the next meeting.

THE PARENT PROBLEM

(Continued From Page Four)

learn to spell four or five words an evening, if he has lagged in spelling. Parents wisely encourage the child to do some good reading at home, as early as the third or fourth grade, in case, fortunately, no homework has been assigned. The purpose should be to stimulate the habit of a bit of daily mental exercise.

Success at cultivating good homework habits, once regular homework assignments have begun, presupposes that the child has long since learned to make a bee-line for his house when the lights appear; that he shall not be needlessly interrupted during his home study; and that his parents shall create a calm, hopeful, helpful atmosphere for him. The stage must be set for him to succeed, as far as possible.

When his parents do help him they should discipline themselves never to grow vexed at him over his lessons. All this I discuss at length in my special bulletin, "Parents and the child's homework," to be had in a stamped addressed envelope sent to me at 235 East 45th street, New York City.

It's not homework itself we need to condemn, but the nature and excessive amount of it that prevails in some places. Often it is just one or two teachers of a school who make homework a grievous burden. This would not happen if the school principal were on his job. He should see that no teacher assigns homework excessively and that the various teachers distribute the homework so it never falls too heavily on any one night.

Too he should see that there rarely shall be any school functions except at week-ends. Except in congested industrial areas, youth centers also should be limited to week-ends and holidays.

If you suppose your child has too much homework, carefully record for a week the exact number of hours he has spent at it and talk over your findings with the principal, as soon as you are emotionally fit to do so.

WASHINGTON REPORT

(Continued From Page Four)

which were always famous for their brilliant and usually jammed receptions, are returning slowly to old schedules as fast as imports of Scotch resume. Champagne is still notably absent and will remain so for some time. And the white tie affair is still exceptional.

The hasty increase in receptions is due not so much to heart-heated gaiety but to practical necessity. Many missions are coming to the capital in connection with the unending of war imposed problems and each tends to be entertained and introduced to U. S. officials at dinners and parties. The receptions serve to give the visitors and their hosts a chance to put before responsible American officials the point of view of the particular country seeking to enter into any special agreement with the United States.

Secretary of Agriculture Clinton Anderson, the nation's number one food man, talks about sugar by the millions of pounds down at his office.

At home, he says, it's a different story. The Anderson sugar bowl is currently empty, the secretary reports. Things have reached the point where he is forced to man-eaters for a humble fall of the sweet staff.

The other day he relates, he had dinner at a friend's home and there were little paper packages of sugar on the coffee cups.

The secretary slipped his packet in a side pocket.

For a little while, he said, his family had sugar. But now they're out again.

Hoover Criticizes U. S. Draft Policy

Former President Cites Cost In Highly Trained Men By Policies Pursued

CHAMBERSBURG, Pa., Oct. 13.—(INS)—Former President Herbert Hoover today coupled criticism of the federal government's draft policy with a plea for the "reconversion of our intellectual, moral and spiritual life" in the postwar world.

In an address broadcast nationwide during ceremonies marking the 75th anniversary of Wilson College in Chambersburg, the nation's only living ex-president said World War II cost America the equivalent of "six annual crops" of young men trained in the profession and the arts.

"Worst of all," he declared, "by continuing the draft of boys between 18 and 21 we are destroying still another crop."

"There will sometime be a shortage of scientists, teachers, doctors, engineers, lawyers and our leaders in the humanities," he added. "It is not even intelligent of our military forces to continue depriving our future defense of these skills."

Mr. Hoover decried the use of the terms "hard peace" and "soft peace" in blueprinting policies for conquered countries and emphasized America should seek only a "just peace."

"Our righteous indignations at the crimes which brought this war and the brutalities of the enemy have blinded our vision of justice," he said. "Justice demands that the men responsible for this must be punished. It requires that the military castes and their weapons be destroyed and be kept destroyed."

Vengeance and revenge, Mr. Hoover declared, must not be substituted for justice because the nation must think of the generations to come.

Dr. J. M. Gnaniah Revival Speaker

Special Series Of Services Continues At Calvary Tabernacle This Week

Sunday services at the Calvary Gospel tabernacle, Vogan street, on the east side, will mark the beginning of the final week of the October revival meetings at the church. Dr. J. M. Gnaniah of Madras, India, who is a converted Hindu, is the speaker at these services.

Dr. Gnaniah, formerly a leader of Gandhi's youth movement, is a speaker of ability, having been trained for the ministry in England and Wales. The evangelist will be heard Sunday at the 11 o'clock and 7:30 o'clock meetings and also night at 7:45 o'clock with the exception of Saturday, next week at the tabernacle.

Question Man In Pittsburgh Case

PITTSBURGH, Oct. 13.—(INS)—Pittsburgh police today questioned a friend and part owner of a horse belonging to Frank M. Amberson, a Pittsburgh confectionery store owner who was found shot to death in Squirrel Park.

Detectives said they learned Gene Bertz of Pittsburgh, intended to sell the horse to a man in Zelienople and that he had been in the slain man's store Thursday night discussing the sale with Amberson.

The officers said they were seeking a second man who might have a connection with the case, but refused to elaborate on this statement.

Record Of Prisoners Disproves Jap Claims

By STAFF SGT. BILL HENGEL
Marine Corps Correspondent
(Continued from International News Service)

OAHU, T. H. Delayed—Any Japanese claims that their commanding officers forbade mistreatment of American prisoners of war can be disproved in black and white, by one Wake Island defender, Marine Staff Sgt. John P. Blandy, of Escalante Mills, Pa.

For the 14 months he spent in the prison camp, he kept a set of mimeographed instructions distributed to him and other Wake Island prisoners immediately after capture of the island. The first rule of conduct set by the Japs for American prisoners listed 12 specific offenses punishable by death. Among the capital crimes, was "individualism, egotism, thinking only about yourself, rushing for your own goods."

Orders Issued
The mimeographed paper states: Commander of the Prisoner Escort Navy of the Great Japanese Empire.

"Regulations For Prisoners"
"1. The prisoners disobeying the following orders will be punished with immediate death."

"A—Those disobeying orders and instructions."
"B—Those showing a motion of antagonism and raising a sign of opposition."

"C—Those disobeying the regulations of individualism, egotism, thinking only about yourself, rushing for your own goods."

"D—Those talking without permission and raising loud voices."
"E—Those walking and moving without order."

"F—Those carrying unnecessary baggage in embarking."
"G—Those resisting mutually."

"H—Those touching the boat's material, wires, electric lights, tools, switches, etc."

"I—Those climbing ladder without order."
"J—Those showing action of running away from the boat or boat."

"K—Those trying to take away from the boat any of the following items:—
L—Those using more than two blankets."

"2. Since the boat is not well equipped and inside being narrow, food being scarce and poor you'll feel uncomfortable during the short time on the boat. Those losing

patience and disordering the regulation will be heavily punished for the reason of not being able to escort . . . (rest unreadable).

3. Meals will be given twice a day. One plate only to a prisoner. The prisoners called by the guard will give out the meal quick as possible and honestly. The remaining prisoners will stay in their places quietly and wait for their plate. Those moving from their places reaching for your plate without order will be heavily punished. Same orders will be applied in handling plates after meal.

4. Toilet will be fixed at the four corners of the room. The buckets and cans will be placed. When filled up a guard will appoint a prisoner. The prisoner called will take the buckets to the center of the room. Toilet papers will be given. Everyone must cooperate to make the room sanitary. Those being careless will be punished.

5. Navy of the great Japanese empire will not try to punish you all with death. Those disobeying all the rules and regulations, and believing the action and purpose of the Japanese navy, cooperating with Japan in construction the "new order of the great Asia" which leads to the world's peace will be treated."

HUNT SLAYER OF TWO RAILROADERS

Police Believe Fugitive Is Maniac Or Escaped Prisoner — No Motive In Slayings

PHILADELPHIA, Oct. 13.—(INS).—An eight-state alarm was out today for the fugitive slayer of two Baltimore & Ohio Railroad trainmen who met their death in a busy South Philadelphia freight yard.

Police said they were fairly certain the slayer was a maniac or a desperate prison fugitive who mistook his victims for railroad detectives. The motive of robbery was ruled out when an investigation showed that the trainmen's possessions and loaded freight cars were intact.

The killer, besides slaying Raymond T. Verrier 47, of Philadelphia, a brakeman, and Joseph Walburn 60, of Darby, a car inspector, was believed to have wounded Martin Thorn, 44, of Philadelphia, while trying to steal an automobile a short distance from the murder scene.

It was established, police said, that Verrier's body was found along a route he would have normally taken, but the Walburn's body was at a point he would not have taken at that time. This indicated, they added, that Verrier was killed first and the other trainman was killed while investigating the shot.

Consistory For Cardinal Election Is Reported Set

Initiation of several new members recently received by the Lions club will be a feature of Tuesday noon's meeting of the club in The Castle. They are: John F. Haven, Carl Anderson, Claude M. Jenkins, N. N. Jaquish, George R. Gettings, John D. Hite and U. G. Hodgins. Sponsors of the new members have been asked to see that they are present for the initiation ceremonies.

The attendance has been very good during the past few months and members are asked to keep it on its present high level.

ROY F. CONWAY, Secretary.

Wallace Suggest New Wage-Price Policy In Crisis

WASHINGTON, Oct. 13.—(INS).—A new wage-price policy which would partially meet labor's demand for retention of wartime earnings had the endorsement of one of the administration's top officials, Secretary of Commerce Henry A. Wallace.

Entering into the discussions now in progress among federal stabilization chiefs, Wallace suggested that half of labor's demand for a 30 per cent pay boost might be granted with only a three or four per cent increase in living costs. He advocated wage adjustments to curb deflationary tendencies.

The formulation of such a policy also has been proposed in other government quarters as a means of coping with the basic cause of the current wave of industrial strife.

Consistory For Cardinal Election Is Reported Set

Five American Bishops Are Reported To Top List At Present Time

VATICAN CITY, Oct. 13.—(INS).—Informed quarters at the Vatican disclosed today that a consistory for the election of cardinals—in which five American bishops top the list of candidates—has been set for a Monday sometime between mid-November and mid-December.

Formal announcement may be made 25 days in advance of the meeting, these quarters said.

The American names, regarded as "certain choices" for election to the College of Cardinals are Archbishop Francis J. Spellman of New York, Samuel A. Stritch of Chicago, Edward Mooney of Detroit, John T. McNicholas of Cincinnati and John J. Mitty of San Francisco.

Vacancies Number 32
Vacancies on the college at the present time number 32, the largest in church history. It was understood, however, that Pope Pius XII does not intend to fill all the vacancies this year.

The new appointments are expected to be limited to 12 or 14 with the other nominations being postponed until next year.

The United States shares the spotlight at this consistory with Spain where the seat for Toledo is vacant, with England, France, Germany and Italy where vacancies occur in Westminster, Reims, Cologne and Palermo respectively.

The coming consistory has been popularly called "the American consistory."

New Castle Seaman Sights Land After 67 Days Out At Sea

ABOARD THE USS ALABAMA AT YOKOSUKA (Delivered)—After extended pre-invasion raids along the Japanese coast, Bernie J. Thompson, 38, seaman 1-c, U. S. N., of 461 East Washington street, New Castle, Pa., sighted land recently after 67 days at sea, when this battleship dropped anchor at Yokosuka.

Thompson has been on this ship since June 1944, and has earned six battle stars. He took part in operations supporting the invasions of the Marianas, Palau, Leyte and Okinawa, the battle of the Philippines sea, the battle for Iwo Jima and major bombardments and carrier task force raids against the Japanese homeland and other Japanese islands.

Before entering the navy in February 1944, Thompson held a dance band which played throughout western Pennsylvania. He was graduated from New Castle high school where he was a member of the high school band and orchestra. On this ship, he is the organist for Protestant church services.

Thompson's wife, Donna, lives with their young son, Bernie, Jr., at 461 East Washington street. His parents, Mr. and Mrs. Ernest Thompson, live at 807 Butler avenue, New Castle.

Columbus Parade Is Splendid Success

Two Days Celebration Closes This Evening With Chicken Supper In Society Hall

Friday evening Christopher Columbus Society members and their auxiliary turned out in great force and participated in a splendid Columbus Day parade marching throughout the ward.

Cpl. Andy Domenick and Sgt. Tull. Velone were the flag bearers at the head of the procession, followed by the city police, then the society officers and committee. The Red Coat band gave selections during the march. Fireworks were set off at intervals along the way.

Refreshments were served in the hall to members and auxiliary who took part in the parade, followed by a speakers program, those making addresses were Peter Flacco, one of the founders of the society and committeeman, Louis Ezzo, past president, Guy Masone, a founder, Mrs. Florence Domenick, auxiliary president, President Joe Zumpella thanked all who had contributed in making the parade such a success.

At 7:30 a splendid concert was given by the Red Coat band with spirited selections, on a band stand near the hall, comprised of two flat trailers loaned by Mooney Brothers. Three Victory Bonds were awarded, with more band selections.

Later a fireworks display was given on a plot below South Liberty street, one of the best in a number of years, the band interspersing with numbers.

The committee responsible for the success of the celebration was William Domenick, Frank Ruzo, Benzy Melchior, Mike Presilla, Tom Conit, William Barto, Mike Mash, Peter Flacco, Philip Ross, Nick Domenick, Louis Ezzo, under the chairmanship of President Zumpella.

This evening the two days celebration will close with a chicken dinner at 6:30, served in the hall to all the members. A dancing period will follow for the members, their wives, and families, when a large attendance is expected.

Ellwood Ration Board To Close On October 31

ELWOOD CITY, Oct. 13.—New Castle's War Price and Rationing board will serve the whole of Lawrence county, with the consolidation of the Ellwood City board and the New Castle board on October 31.

Although the board will not officially close until the last day of the month, the office furniture and equipment will be sold on sight on October 16.

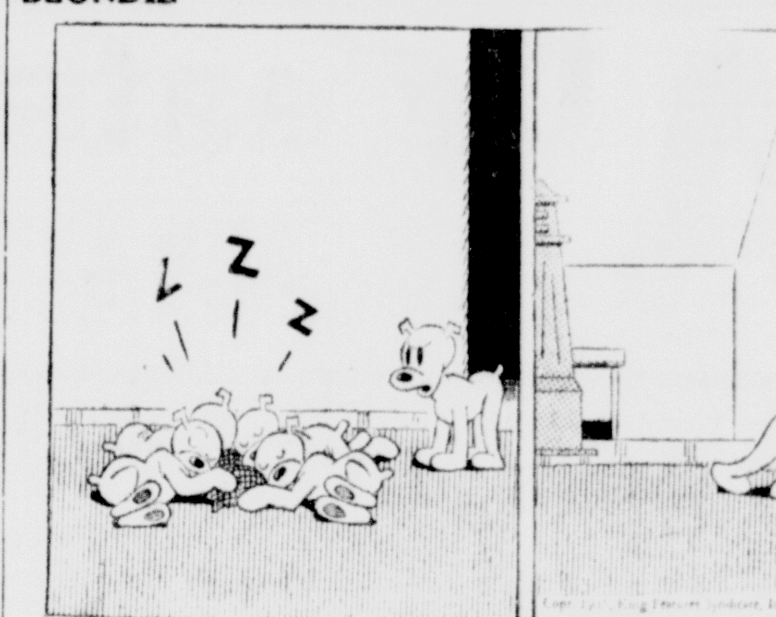

Junior Red Cross Sponsors To Meet

Sponsors of the local Junior Red Cross will meet in the Red Cross chapter house on October 30, according to a decision of the Junior Red Cross committee which met Thursday.

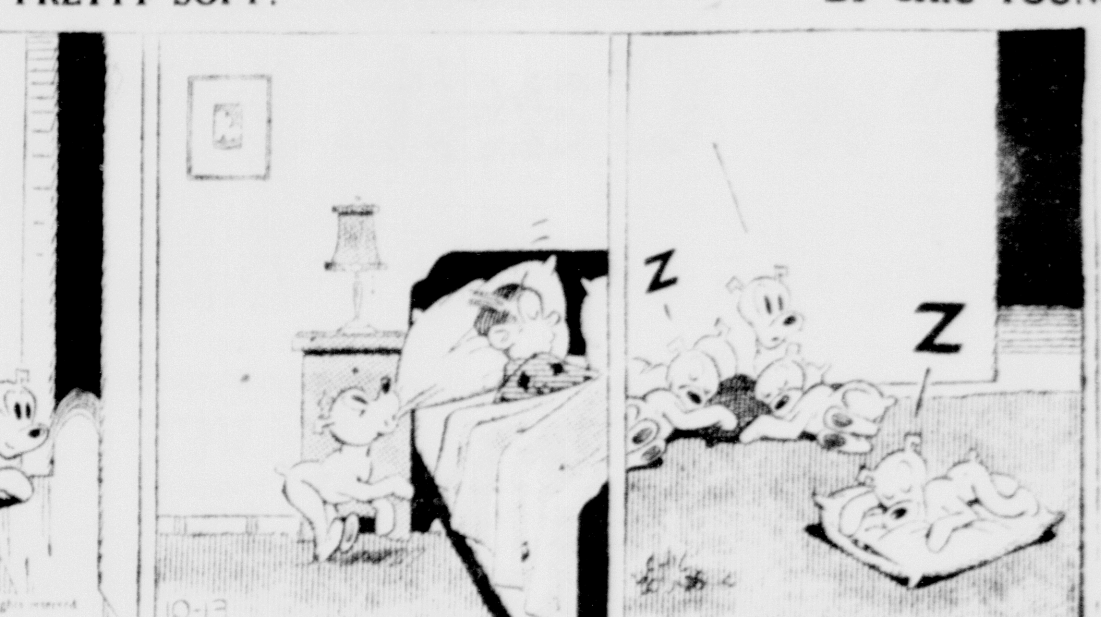

Displays of Junior Red Cross work sent from national headquarters, as well as a film where shown by Mrs. Plummer Gibson, and Miss Emma Maxwell, co-chairman of the JRC, talked on her course of study at Penn State this summer.

A meeting of JRC representatives from each grade of the elementary schools will be held the first Sunday of each month, according to the committee. Representatives from the Junior and Senior high schools will meet on the second Saturday of each month. Chairman in charge of enrollment for Junior Red Cross is Mrs. Ray Nolte.

New Castle High Defeats Farrell Friday Night 19-7

Panella And Flora Score Touchdowns, Walls Runs Wild

New Castle Impressive In Comeback After Losing Tough One At Altoona

Farrell Completely Outclassed By Locals Before Over 9,000 Fans

Flashing a running attack that had the Farrell High Night Riders completely baffled, a hard fighting New Castle High football team amazed a crowd of over 9,000 fans Friday night at the stadium, by rolling up three touchdowns to avenge a Farrell High win here last year, 19 to 7, in a most convincing manner.

Bouncing back from their heart-breaking 6 to 0 defeat suffered at Altoona last Saturday, the New Castle team asked no quarter and gave no quarter as they literally ran the Farrell boys off their feet to pile up 236 yards net rushing and 12 first downs to three for Farrell in an exhibition that stamps them as a grid juggernaut to be reckoned with in the remainder of the games on the 1945 card.

Panella and Walls Star
Little Anthony "Buzzer" Panella, the right-half was the boy who tallied two times on runs of 5 and 13 yards, while Sammy Flora ran 49 yards for the third touchdown, but the workhorse of the game was Billy Walls, the colored fullback speedster who dashed through the Farrell center of the line and time again for sizeable gains.

New Castle simply had too much class for Farrell last night. The only effective weapon that Farrell had was the forward pass and in the fourth period they tallied one and pass thrown by Phillips and caught by Pedas over the goal line. Farrell's running attack was stopped colder than a mackerel in Iceland. Farrell had exactly 43 yards net gained rushing when the game ended, but they did have a total of 58 yards gained by the aerial route.

Farrell Outclassed
It was evident to the large crowd in the first half that New Castle had too many big guns in operation for Farrell to cope with. New Castle's first downs the first half were 8 to 0. Farrell was never in the ball game the first half. Never once did the visitors threaten. They simply ran up against a stone wall with their running attack. What little ground they gained was in the air with Phillips throwing passes that looked good.

Flora set up the first touchdown by intercepting a Farrell pass on the Farrell 49 and returning to the 32. Farrell had taken the ball on downs on their own 20 and right away decided to take it to the air, but little Sammy Flora was on the alert and New Castle took over again and this time Walls lugging the leather started for the goal line, there was a momentary fumble, however when Walls fumbled and Bob Reed the New Castle great center recovered on the Farrell 23-yard line but after that it was simply a case of Walls a first down on the 20, Walls for nine yards, Walls for a first down on the 6-yard line, Flora poked up a yard and then Panella raced it over from the 5. Jacobs came in to boot the extra-point and failed. There was just three minutes left of the first half when all this took place. New Castle had the ball on midfield when the half ended after Farrell had received the kickoff and then punted.

Toney Sets Up Score
Big George Toney, the star New Castle right end set up the second New Castle touchdown on a weird play. Phillips of Farrell had drifted back from his own 39 to 14 to throw a long pass and Toney charging in deflected the ball enough to cause it to go up in the air, and then

caught it on the 14. Panella made a yard and then from the 13 ran it over on the next play to score. Jacobs came in again and converted the extra-point, making it 13 to 0. New Castle and the local fans settled back in their seats, satisfied that this was enough. There was just two minutes left of the third period.

Farrell desperate after watching the second New Castle touchdown opened up with a passing attack after the kickoff that carried them to the New Castle 35 where they lost the ball on their 35 when the third period ended, having tested the Farrell passing attack and found it wanting.

Flora Races 49 Yards
Just four plays after the fourth period began, Sammy Flora taking the ball on the Farrell 49-yard line ran for a touchdown with half of the Farrell team chasing him, but there was no catching the elusive Sammy. He was off like a streak and soon had a procession following him. Jacobs came in again and missed the extra-point.

New Castle kicked off to Farrell and the visitors never gave up the ball as they marched down the field aided by two 15-yard penalties on New Castle and then opened a forward passing attack again Phillips to Gargano, but the ball on the New Castle 8 then Pedas ran the ball to the New Castle 6, and made two more to the New Castle 4-yard line and at this point Phillips dropped back and rifled a pass that Pedas caught over the goal line and Farrell had scored, but not until New Castle had four reserves in the game. Bill Stewart, Betts and Abraham being out of the New Castle lineup. Gargano kicked the extra-point for Farrell to make it 19 to 7. There was just four minutes of the game remaining.

Starting Offense
Farrell kicked off to New Castle and New Castle after a play or two used Panella as a kicker for the first time in his life in a game and he booted it to Farrell down the field, and Farrell really desperate now, started passing again and did complete a nice one to Pedas on the Farrell 48 when the game ended.

It was New Castle's starting offensive attack backed up by a super-charged line that swept Farrell line end to end played magnificent football. Hill and Stewart had to bette the game with injuries, while Betts was ejected for a display of fight. One of the most pleasing performances in the New Castle backfield was the work of Lou Gilmore the colored boy used as a blocking half. He was in every play and did a swell job, starting his first varsity game.

New Castle plays North Catholic High in Pittsburgh next Friday at the stadium. This was New Castle's third Class AA win of the year, against one defeat.

Bessemer Eleven Tops Hickory 7-6

Paul Madrid Scores Touchdown For Bessemer From 3 Yard Line On End Run

(Special to The News)

SHARPSVILLE, Oct. 13.—Bessemer High from Lawrence county brought a hard fighting team to Sharpsville last night and defeated the newly organized Hickory High team of Mercer county 7 to 6 in a rip-snorting night battle under the lights here.

It was the second straight win for Bessemer by a score of 7 to 6. The game was a close one. The Williams Circle coached Bessemer team, tallied in the first period when little Paul Madrid, 105 pounds of dynamite, sub for Blomquist, snuffed the end and ran three yards to five Bessemer what proved to be the winning touchdown. Adding the extra-point that made a safe for Bessemer was a plunge from the 5 by Perdue.

Hickory Seeks on Pass
Hickory tallied in the third period on a pass from Johnson to Lazorchak from the 6-yard line which the Hickory quarterback grabbed in the end zone. The try for the same up was missed when Johnson tried another pass to Lazorchak and the ball was batted down by the alert Bessemer secondary.

In first downs Hickory led 9 to 7. Madrid led before scoring the winning touchdown, raced over the goal line but Bessemer was off-side and it didn't count. Romeo Cremo played a great game on the defense all evening.

Bessemer's next game will be at Zelenople next Friday. Bessemer has won three and lost three to date. Robert Glaspey is the assistant coach at Bessemer this year, aiding Cremo with the handling of the Cement Towers.

Shenango Trips Evans City 6-0

Charles Tanner Plunges Over From 4 Yard Line In Final Period For Victory

Shenango High school football team led by the sensational Charles Tanner defeated Evans City 6 to 0 Friday at Shenango field, the only Class B team to turn the trick this year. Tanner after playing a great game all afternoon drove over from the 4-yard line for the lone tally after Shenango had tallied five first downs in a row from their 20. Shenango out-first-downed the visitors 15 to 5.

Shenango had many scoring chances all afternoon, but on a couple of instances 15-yard penalties hurt them, especially in the first period when the Eddie Nahas coached machine drove to the Evans City 8 and drew a 15 yarder for a violation, then again in the first period Shenango got to the 9-yard line and again drew a 15-yard penalty.

Shenango All the Way
In the second period Shenango marched to the five and lost the ball on downs, and again in the second period after being sparked by Tanner's brilliant running had the ball on the Evans City 12 and lost it on downs. Evans City never got inside the Shenango 30 all afternoon. The game was a defensive game did Paul Tanner play until hurt in the first half and removed. Mayberry and Owoc also played a bunk-up game on the line. In the Shenango backfield C. Tanner did the majority of the ground gaining in the first half and Frank D'Giacomo took over in the second half, gaining considerable ground. Shenango played without three regulars in the game—Letera, the quarter, Jack Bader, star guard and Red Perdue, star tackle. Cochran and Wee Fom-belle did a good job in the backfield all afternoon.

It was the first setback for Evans City in the Tri-County league. Next week Shenango plays Union at Union, in a county league test.

Spectacular Show By New Castle Band During Friday Game

Field Lights Are Darkened While Band Outlines Performance With Flashlights

Having displayed their ability to drill and play, the New Castle High school band vied for top something more spectacular Friday evening between the halves of the Farrell game when the field lights were turned out and the band formations on the dark field were outlined with flashlights and three.

Apparently the idea spread for before the end of the evening the football field was edged with about four or five bottles surrounded by persons whose enthusiasm wasn't quite enough to keep them warm.

The unusual New Castle drill, under the direction of Joseph Rpliole had for its theme "three reasons for loving victory bonds—the home, the church, and the school." Forming a large fireplace outlined with flashlights and complete with a fire of red flares in the center, the band played the "Home Fires Burning" while the twirlers twirled glowing batons.

Reforming into a huge church steeple cross, again outlined by lights on the dark field and flanked by a spotlighted American flag, the band played the familiar "Church in the Wildwood." For the last number the lights were on, with the band forming the numerals 2 plus 2 equal 4. During the playing of "The Little Red Schoolhouse" and "School Days," the twirlers did a clever dancing twirling routine.

Under the direction of William Blough, the Farrell band in its blue and gold uniforms, saluted first the New Castle section and then its own cheering section with the alma maters of the respective schools, and then marched off the field to the beat of the drums.

Shenango Pottery Golfers To Dine
First Annual Banquet Of Shenango Pottery Golf League At The Castleton

Tonight at The Castleton Hotel the Shenango Pottery golf league will hold its first annual banquet honoring the 1945 champion Nickie Rose who wasted no time in getting the golfers to gain supremacy.

This was the first year for the Shenango Pottery in golf and they enjoyed the season at Castle Hills with a record number of players.

The banquet is slated to get under way at 6:30 o'clock with a fine evening's evening planned for those attending.

Joseph Henry was the man who first conceived the idea for the construction of the electro-magnet.

Zelenople High Tops Union 26-6

Visitors Score In Every Period But Third In Game At Union Field

Scoring touchdowns in every period but the third, Zelenople High football team landed Union High 26 to 6 defeat Friday afternoon at the Union High field. It was Union's fifth straight defeat of the year. This was a Tri-County league game. Zelenople's running attack was too much for the Unionites to cope with. Brees moved two of the touchdowns. Kirkpatrick one and Webster tallied one. Union scored late in the fourth period on a pass from Bigley to Roberts for the second touchdown of the year for the Patterson coached machine.

Play Shenango Next
Zelenople out-first-downed the Union 17 to 3, making ground heavily in every period. Kirkpatrick and Brees doing most of the ground gaining.

Union High will play Shenango next Friday at the Union High field at 2:30 o'clock in a County league game.

WHEN fans see the Steelers play the Redskins at Forbes field, Sunday, they'll see one of the tallest and one of the fastest players in professional football. Glen Slayton, Steelers tackle, stands at five feet seven inches tall and weighs 260. John Petrella, a back, stands five feet seven inches tall and weighs 175. Though formerly played with Duke Peters with Penn State. Gene Burton of New York and Don Raftery, Milwaukee, Indiana, will box 16 rounds at Pittsburgh, October 22. A June Wilkins, Indianapolis, will compete in the half mile race at the Williams Grove racetrack. He was last Sunday's winner and during the trials set a record for the dirt track.

Arch Ward of the Chi-Tribune, agent the world series, writes in The Wake that "the first six games were replete with brilliant out-field catches, flashes of pitching excellence, amateurish base running and some of the sloppiest fielding ever perpetrated before a world series crowd."
Hutch Brins, Wilkes-Barre newspaperman and sports authority, died yesterday in Lakeside. He was followed by a stroke of pneumonia. He was a state boxing judge. He wrote under the name "Bub" Brins. It was our good fortune to be a close friend and we'll miss him when we recall the antebellum tempo.

'Let Them Die' Kramer Said Is Testimony

LUENEBURG, Germany, Oct. 13.—(INS)—Josef Kramer, the so-called "Beast of Belsen," was quoted today as saying "Let Them Die" when told of the frightful conditions of the inmates in his concentration camp.

Blonde Herta Ehlert, an SS woman, testified at trial of Kramer and other Belsen guards that conditions in the camp were the worst she had ever seen. She said she pointed this out to Kramer and was told, in effect, to forget it.

The witness added that she once saw Kramer beat a girl who tried to escape.

Earlier the British military court granted permission to show a documentary film described by defense counsel as "complete prejudice and nothing else."

Record Of Conditions The record of conditions at the Oswestry concentration camp in Poland, where Josef Kramer was a big leader before he commanded the Belsen death compound, will be introduced as evidence Monday. The film was offered by the Soviet government.

Defense attorney Maj. Cranfield, recently criticized by the official Soviet newspaper Izvestia for alleged delaying tactics during the trial, characterized the film as "Russian propaganda."

"The whole thing is complete prejudice and nothing else," he said.

Schoepf prepared to testify on behalf of Franz Hoessler, who served under Kramer and who recently told the court he made "superhuman efforts" to alleviate internees' suffering.

The German girl, explaining her failure to appear earlier, said that "two Jews" described as being among the prosecution witnesses told her she had better not come as a witness.

Police Squad Aides In Birth Of Infant Philadelphia Police Have Busy Time With Birth And House On Fire

PHILADELPHIA, Oct. 13.—(INS)—Mrs. Mary Peterson, 31 of Philadelphia, gave birth to a daughter today amidst the frantic efforts of the police force to get her to a hospital and the crackle of flames next door.

Two radio cars, dispatched by police to move the mother to a hospital, were halted by a flat tire and motor trouble, respectively.

Eventually, Policeman Edward Cushman, who has helped officiate at 36 previous births, thumbed a ride to the prison house.

The prematurely-born baby girl was wrapped in blankets and rushed to Episcopal Hospital, where she was placed in an incubator.

Seconds later a police car finally arrived at the home to take Mrs. Peterson to the hospital. Then a next door neighbor leaned from a second story window and screamed, "my house on fire."

By this time four police cars were parked in front of the home and Mrs. Peterson waited until police extinguished the mattress fire.

Local Attorney And Wife To Tour California, Mexico, Before His Reassignment

Mr. and Mrs. David J. Felton of Huron avenue, have received word from their daughter, that her husband, Lt. Walter A. Kieler, U. S. Navy, has arrived in San Francisco, Calif., from duty in the Pacific area.

Mr. and Mrs. Kieler expect to tour in Southern California and Mexico before the former reports to New York for his new assignment.

He served in the transport service aboard the U.S.S. Fairland, in the Atlantic for eighteen months and about twelve months in the Pacific.

Before joining the naval service three years ago, Lt. Kieler was a local attorney. Mrs. Kieler has resided in San Francisco since her husband went overseas.

GARDEN HOSE STOLEN Garden hose was reportedly stolen from the Charles Cladwell residence, 822 Oak street in the forefront of the week.

Capt. C. H. Whalen Receives Discharge

Local Physician Returns After Eighteen Months Service In Europe Theatre

Capt. C. H. Whalen, of the U.S. Medical Corps, received his honorable discharge this week at Indiantown Gap, following three and a half years of service.

Capt. Whalen, a local physician, recently arrived in this country following 8 months of overseas duty.

Attached to the 27th Evacuation Hospital, of the Seventh Army, Capt. Whalen served in Africa, Italy, Southern France and Germany, traveling as far as Munich in Germany.

In March of this year, Capt. Whalen returned home on an emergency leave, and later resumed his duties in France traveling on to Germany. While overseas he met many local service men, and also heard from Pfc. Richard Renz.

The physician was awarded two battle stars while in service overseas administering medical aid.

Capt. Whalen is glad to be home as a civilian among his friends, although proud to have had an opportunity to serve his country in the Medical Corps.

Dr. Whalen will resume his practice about November 1, here in the Temple building. He resides with his family at 119 East Laurel avenue.

Columbia Studios Being Picketed Third Hollywood Studios Is Now Included In Mass Picketing Program

HOLLYWOOD, Oct. 13.—(INS)—Columbia studios became the third to be subjected to mass picketing today, and one man was reported slugged in the latest move on the Hollywood film strike front.

Pickets arriving before dawn at Warner Bros. scene of howl-skinshishes, were split up about 60 being dispatched to Columbia by Strike Leader Herbert K. Sorrell.

He announced the line there will be augmented by other unions during the day.

The first report of violence at Columbia at Sunset boulevard and Gower street came when Col. "Muscle" County, an IATSE carpenter, told hastily summoned police that pickets grabbed and slugged him when he appeared to go to work.

Work at Warners and Universal is definitely at a halt, said Sorrell, and Columbia will shut down, he added, explaining that Columbia was chosen for mass picketing today when he flipped a coin to decide whether it would be that studio or Paramount.

At Universal this morning, 500 members of the IATSE, which won a vote in the NLRB election and lost, said they would not go into the studio unless the strike is decided whether it would be that studio or Paramount.

Relief To Europe Necessary For U. S. Employment

Such Is Assertion Of Director Lehman Asking For More Funds For U. S. R. A.

NEW YORK, Oct. 13.—(INS)—Director Herbert H. Lehman of the United Nations Relief and Rehabilitation Administration insisted today that post-war employment in the U. S. is largely dependent on extension of relief to war-torn European countries.

In a new plea for speedy replenishing of depleted UNRRA funds, Lehman declared, "There will be no 60 million jobs or even 30 million jobs in this country if there are not available foreign markets for our products. You can't trade with people who are not themselves producing goods for exchange."

Lehman spoke at a Columbia University dinner at which the Italian-American Labor Council presented its "Four Freedoms" award to Gen. Mark W. Clark who led U. S. invasion forces in Italy
